**RECOVERY AND REHABILITATION  
OF THE CLIENT WITH PSYCHOSIS:  
EVIDENCE-BASED PRACTICES**

*A Continuing Education  
Program*

**October 28-30, 2004  
Hilton Waterfront Beach Resort  
Huntington Beach, CA**

Presented by the MIRECC of the VA Desert-Pacific Healthcare Network,  
Upper Chesapeake Health and the UCSD Department of Psychiatry in  
cooperation with the Chesapeake Health Education Program, Inc., and the  
VA Maryland Healthcare System.

Dear Colleague:

We are delighted to invite you to attend the conference "Recovery and Rehabilitation of the Client With Psychosis: Evidence Based Practices", co-sponsored by the VA Desert-Pacific MIRECC, University of California San Diego Department of Psychiatry and the VA Employee Education System.

This conference will highlight the general principles of the recovery and rehabilitation that are emphasized in the President's *New Freedom Commission* and the *VA Action Agenda* reports; describe the application of these principles to specific programs, including vocational rehabilitation, peer support, family education, and psychopharmacology; address issues related to recovery and rehabilitation in special populations (the dually diagnosed and elderly); and finally, assist in the development of plans to implement recovery and rehabilitation principles into ongoing treatment practices. The anticipated audience is both VA and non-VA clinicians and administrators.

This conference is specifically designed to provide in-depth knowledge for professionals treating individuals with psychotic disorders. We hope to see you in October, a beautiful time of year in California, for this highly instructive and exciting exchange of ideas and for this opportunity to enjoy the beautiful coast of Southern California with your family.

Sincerely,

Stephen R. Marder, M.D.  
Conference Director

Laurie A. Lindamer, Ph.D.  
Conference Co-Director

#### Americans with Disabilities Act Policy

If you require any special arrangements to attend and fully participate in this education workshop, please provide information about your requirements to Kathy Arndt at 562-826-8000 x2546 or kathy.arndt@med.va.gov at least 30 days prior to the conference.

## Accreditation

**PHYSICIANS (ACCME):** This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of Upper Chesapeake Health and the Chesapeake Health Education Program, Inc. Upper Chesapeake Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians and takes responsibility for the content, quality and scientific integrity of this CME activity. Upper Chesapeake designates this educational activity for a maximum of 12 hours in Category 1 credit toward the American Medical Association Physician's Recognition Award (PRA) of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

**APA:** Application has been made to the American Psychological Association (APA) and participants are encouraged to verify their approval prior to registering for this conference. When approved by the APA, the VAMHCS will offer this activity for a maximum of 12 hours of CE credit.

**CPA:** As of January 1, 2002, the California Board of Psychology recognizes APA-sponsorship of courses for CE credits necessary for re-licensure of California psychologists. This course is approved for a maximum of 12 hours.

**MFCC/LCSW:** Application has been made to the California Board of Behavioral Sciences and participants are encouraged to verify their approval prior to registering for this conference. When approved, this course will be provide a maximum of 12 hours CE credit.

**NURSES (ANCC):** The VA Maryland Health Care System, Perry Point Division is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation. The VAMHCS designates this educational activity for 14.4 contact hours in continuing nursing education.

## Objectives

- Discuss the general principles of recovery and rehabilitation that are emphasized in the President's New Freedom Commission and the VA Action Agenda reports.
- Describe the application of these principles to specific programs, including vocational rehabilitation, peer support, family education, and psychopharmacology.
- Identify issues related to recovery and rehabilitation in special populations (the dually diagnosed and elderly).
- Demonstrate plans to implement recovery and rehabilitation principles into ongoing treatment practices.

## Conference Location and Hotel Information

**Hilton Waterfront Beach Resort**  
**21100 Pacific Coast Highway**  
**Huntington Beach, CA 92648 USA**

**Reservations: 1-800-228-9290**  
**Tel: (714) 845-8000**  
**Fax: (714) 845-8424**  
**Toll Free: (800) 800-822-7873**  
**www.waterfrontbeachresort.hilton.com**

The Hilton Waterfront Beach Resort is situated in the beautiful seaside community of Huntington Beach and overlooks the Pacific Ocean and miles of white sand beaches. This four-diamond resort is only 45 minutes from Los Angeles International Airport, 15 miles from Long Beach Airport and 13 miles from John Wayne Airport. Designed in true California style but with a Mediterranean flair, this dramatic hotel features indoor fountains, waterfalls and breathtaking views of the Pacific. Check-in time is 4 pm, check out time is 12 noon.

To qualify for the special conference rates of \$164.00 for a single or double room reservations must be made by October 6, 2004. Parking is available by valet at \$12/day or self parking at \$8/day. Contact the hotel directly at 800-822-7873 or 714-845-8000 and identify yourself as a **MIRECC Conference** participant. The first night's deposit or a credit card number will guarantee your reservation
